

# *Pantego Lions Update*

April 2011

Dear Bill,

I would like to take this time to thank everyone for the help that they have been giving me in my time thus far as President of the Pantego Lions. I have enjoyed the comradely and the help put forth to keep our club flowing.

We are about to take a big step in the Day in the Park with the Pantego Lions and we will need everyone's help in making it a success. We will be inviting other clubs to join us, in the endeavor to be able to bring in NEW members into the club, and let the community KNOW we are here, and what we do as a club and what the Lions do around the World. If this goes well this could work into a yearly event.

The 21st of May, the Day in the Park, will be a great time with the Town of Pantego. I look forward to having all Lions Participate.

We will keep you informed as the date May 21, 2011 draws near.

**Lion Bill Brown**

## ***A Day in the Park***

Mark your calendars, set your watches, tell your friends, and get ready to have some great fun with a little work! A Day in the Park, May 21st, will be a great opportunity for the community to "get to know" us a little better. The citizens of Pantego are very familiar with our Lions Club. If you stop and tell them you are a member, probably the first thing they may say is, "Do you still collect eyeglasses?"

We know that the Lions do so much more. Eye and sight initiatives are just a couple of endeavors we are involved in. With the Day in the Park, we will have a good opportunity to share our vision of community service and, most importantly, it will give us a great chance to engage with our community and encourage those that show an interest, to consider joining us. Let's all plan to set the day aside. Plan to come early and be ready to meet, greet, inform and sell Lionism in our community!

May 21st, 3pm - til Dark***

## *a Wish With Wings*

Since 1982, *a Wish with Wings* has touched the lives of hundreds of Texas children in need. With every Wish the gifts of memories, laughter, and joy are made possible by the generosity and kindness of others.

Working closely with childrens hospitals, child life specialists, and physicians, the sole purpose is to grant the Wish of a child in need and bring a ray of hope and happiness into their lives during a time of sorrow and despair.

As Lions, we support this wonderful charity. Recently, Pantego Lions Club Members attended the Butterflies & Baseball Benefit Luncheon at the Worthington Hotel in Ft. Worth. We were the only Lions Club represented and were joined by a large crowd representing the who's who in business, charity and community. The event was hosted by Ruth and Nolan Ryan and the Master of Ceremonies was Texas Rangers Play-by-Play Announcer, John Radigan. Look below for some candid shots from the event.

Take some time to learn more about this significant organization and the great assistance it provides with the help of many, Lions included. You can find them at:

[a Wish With Wings](#)

Shirley Kost wondering how to make a Winged cookie!

Lion Consuella Thompson letting Nolan know she's on Facebook!

Lion PID Bev looking at the menu to see if she had any of the same for breakfast!

Nolan just asked Lion Al if he could be a speaker at the club!
