

Otis W. Pharr Community Center

Dear Bill,

It's February 1st. January has come and past and we are in the middle of a DEEP FREEZE! BRRRRRR!

Regardless, January was a great month for the Pantego Lions Club. Our 1st Chili Supper was a great success. Our Pancake Breakfast went off with out a hitch except for the smoke alarm's continual reminder of the importance of good ventilation. Oh, and let's not forget one of our newest Pancake traditions. We were happy to serve 55 students from South Davis Elementary in Arlington as well as their teachers and Principal. Our Student Pancake Breakfast has become a "day before" BIG event. The children get a good meal (with 2nds and 3rds) and the Lions have the privilege of serving these, our future leaders. A Win - Win for all!

Let's all join together, put on or vests, roll up our sleeves and really get into serving others through Lionism. We're off to a good start for 2011!

P.S. - Lion Pattie, be sure to wear your NEW HAT!

Pancake Breakfasts

The month of January is our month to kick off the new year with our famous Pancake Breakfasts. Yep, you read it right. Two Pancake Breakfasts on succeeding days. On the 28th we held our pre-event at the Community Center by serving up pancakes to over 55 students, teachers, and administrators from South Davis Elementary School in Arlington.

The next day the forces joined together for Part II, our community-wide Pancake Breakfast. As usual the attendance was outstanding with over 225 meals served. Total "Lion" hours by our volunteers was 30 hours for the student breakfast and over 75 for the big one! Outstanding! Thanks to the following for helping to make this a great success:
